“ To the Ray family...I also was machine repair at Guide but Harold must have retired before I became one in 2000. My father, Doug Harvey worked with him in machine repair and asked I send condolences to the family. In the trades at Guide we were all family. So sorry for your loss.

“ To the Family of Harold Ray, I knew and worked with Harold in Multi-color at Guide for about two years. He was very knowledgeable and always willing to explain how the hydraulic system worked to help me better understand the electrical aspect of the machine. I'll always remember his witty spry humor, and the smile he always displayed. I pray God will Bless and comfort your Family during this sad time.

“ Shirley, Eddie and all family: Please accept my heartfelt condolences. Harold has always been a friend. Not only did we grow up together in the same neighborhood, but we worked around each other for 30 plus years. Cherish the good time memories and the one of a kind laughter that Harold has given us.
