“ *All of our memories of Uncle Harry make us smile. He's unique in that respect, and we think it accurately reflects the life he lived and the wonderful person he was. And what a great family he and Aunt Edie raised! All of our best to our cousins - we'll miss your dad, too.*

“ *Uncle Harry was one of a kind. No one who ever attended a family reunion could possibly forget his infectious laugh. He made everyone feel happier, and brightened an entire room by simply being there. I'll miss him terribly - but I'll always carry those wonderful memories in my heart. God bless you, John, Jeff, Jim, Joan, Julie. Aunt Edie, too... together again and still wild about Harry.*

“ I worked with Harry at Guide. He was my foreman on several occasions. The best boss a guy could have. It was a pleasure to know him and work with him. A stand up guy. May GOD comfort his family and friends. So sorry for your loss.
