“ *To the Harry Long family, it is with a heavy heart and great sadness they we have to say goodbye to Harry. He was the nicest most kind man with such a big heart as well as his family that we have ever known and we are ever so grateful that he was a part of our lives. We understand when our Lord calls you home, it's time to go, but we wished we could have spent a little more time with you. I am not going to say goodbye, we are going to say, see you later. I know one day, we will all be together again and we can have a big block party!*
