“ My prayers go out to the Kalisz family. Nancy, keep your faith and the bad memories will soon be overshadowed by the good times and memories. It will be hard at first, but it gets easier day by day. Remember, he is in a better place.

“ I am so sorry for your loss. My father, Donald Hoefner, knew Harvey very well. He worked with him at Delco Remy. Harvey is also responsible for my father getting into TV repair. I also had the opportunity to go flying, when I was very young. After getting air sick, I wasn't invited back for another ride. Again, I am sorry for your loss.
