“ Our deepest symphathy to all of you.Ms. Hattie was a very special lady to me.Working with Hattie was a challenge at times,but a great experience. I learned to love her deeply as a person for who she was. She could throw a pan in a heart beat if you made her mad! Which I often did. But it kept her on her toes,and she would let me know that it was her kitchen. It kept her going ,and put a twinkle back in her eyes again. I will greatly miss the ole' girl. I really loved her,and enjoyed her very much. love to all,and our prayers are with you all. Love Bonnie and Jym
