“ Hattie was my ex-mother-in-law She told me that she loved me and wanted me to be in heaven with her when my time was up here on earth, and that I would always be her daughter-in-law and that no matter what anyone said to me that I could come and see her at anytime. What she said to me made me feel so very special. I had the chance to stay with her for awhile before she left to go to heaven and I will truly cherish every minute that I had with her. God has a very special angel there in heaven and I know that she is now with Clyde and they are holding Jay and giving him the love and attention that we all wish we could do. Hattie I will truly miss you and I love you dearly.

“ My most recent fondest memory would be Grandma holding my son Jay. She would hold him and talk to him. As he grew we would sit him next to her. She would move over in her chair and pat next to her for Jay to sit as soon as we arrived. She would talk to him and play with him. He laughed for her and she would never forget that. Now my sweet Jay is in Heaven, Grandma said she was ready to go to Heaven and one of the first thing she would do is find Jay. And I know Grandma is holding him right now. We love you and will always miss you Grandma.
