“ She is the greatest Great-Grandma a girl could ask for. She taught me so much in my life. My favorite memories of her are when she taught me to play her piano that she loved so much and I can't forget how proud she was of my little puppet show I put on for her when I was younger. By far, my favorite memories were all the nights I would crawl into bed with her in the middle of the night, after Grandpa passed. I miss spending nights with her, sleeping in her bed and waking in the morning to eat bagels and drink orange juice or milk. I can't promise I won't think of her and not cry, but I do promise to remember all the wonderful moments we spent together and how much she loved her family. I will be sad that she doesn't get to be around to watch her Great-Great Granddaughter grow, but I'm happy to know that her & grandpa will be guarding over her and the rest of the family. I LOVE YOU DEARLY GRANDMA!!!

“ Joanna & Johanna, I am so sorry for the loss of your Mom/Grandma. That is very sad for you to have to loose her but she is with Dad/Grandpa and will be happy and free of pain and illness. I wish I could have stoped by but distance makes that a problem. I was in your heart and you were in my thoughts and always will be. Love you guys, Amber
