“ *The memories we had with your family during our teen years with the marching band can never be duplicated. The pool, the band parties at your house, the dedication of all of us as one family will never be forgotten.*

Thank you Connie and Mrs. King for sharing him with us. It created a foundation for a great age of growing and an honest way of life. Blessings for all of you and prayers continue from Gina and I.

“ *When my mother passed away Uncle Crutch made a statement that meant a lot to me. He said, " The place your mother has gone to, she would not come back even if she could." I know he was talking about Heaven. Uncle Crutch is in this place today.*
