“ *We wish we could be there with the family at this time. Our hearts are with you as you grieve and celebrate the joy for her as she is with her Lord and Saviour - a much better place than here and feeling much better, too. Many sympathies with the family. John & Barbara White*

“ *While we didn't know Mrs. Alexander directly, we do know Dan. Dan and Imogene's lives are a great testimony to their upbringing and to Mrs. Alexander's legacy. Our deepest sympathies are with the Alexander family. This is truly a great loss.*

“ *We did not have the pleasure of knowing Hilda in this life, but through the loving spirits of her children she lives on. Knowing Dan, Imogene and others is a blessing. She obviously raised Godly children - what more could a parent wish for... We hope to be worthy to meet her in Heaven.*

“ The impression Hilda left on Dan and Imogene will have an impression on our family and church forever. Her Godly life will continue as an example to those of us following her on this wonderful journey in Christ. Our love and prayers are with the entire family.
