“ I miss you everyday, this popped up in a google search about someone else! I believe you wanted me to think about you right now and remember your always with me. It still hurts but I know one day we will be together again. Till the day we meet again I will think of you everyday I will talk about you keep your memory alive! As long as I'm here Hollie I promise I won't let you be forgotten! I love you forever your little sister and best friend Sarah

“ Hollie I miss you more each day. I thought it would fade, some of the pain has, but I still miss talking to you everyday. Alot of things have been going on lately and I wish you were here. I'll never have another friend like you. I could tell you anything. I'm so sorry I didn't do enough to help you. I'll hold that guilt until I see you again and I hear you say it's o.k. I keep hearing your voice tell me that I was your lifeline and your best friend. I wish I could have done more. I miss you, girl.

“ Hollie was the first person to buy me a baby gift. I was trying to get pregnant and she got me a cute outfit for my baby to be. It took me three years to get pregnant so I could have a baby to wear it. Thank you for believing in me, Hollie. I'll remember you always.

“ *I barely new Holly but for a brief while through my niece Tammie. I know how much Tammie cared for Holly. She was like the sister she never had. Just find peace in knowing that she is in a better place now and she will have the happiness she never had here on earth.*

“ I love you....you know that. Don't worry. Your baby will always be fine. She has too much love around her to not be. I talk to you alot. I hope you hear me. I'll see you tomorrow, and I'll try to say goodbye but it will hurt so much. Please give me the strength to get through tomorrow. Please help me to get past waiting for the phone to ring and it be you on the other end. I still am waiting for it, but I know it will never come. I know you're alot better off than all of us right now. You have found the peace all of us here still long for. It just hurts so much to miss you. Until I see you again my life will never be the same. I know you would want me to be strong for my babies and for shalee, I am trying so hard. but it hurts, I actually feel like my heart is broken. When I get there, please be there to greet me whenever that may be. I love you Hollie. I love you Tami

“ To one of my finest friends. I love you! The last time I seen Hollie was when I rode home with her form the Indianapolis Zoo on June 3rd, 2002. Diana, Sarah, Marlee, and Shalee were also with us. I'm so glad that the people she loved the most share that memory with me. I will remember it forever! Your friend always and forever....Molly
