“ Mick & PJ, I was saddened to hear of Holly's passing. As you know, Holly & I spent a great year together as freshmen at Purdue University. She was so much fun and full of life. She made everyone smile and as others have mentioned, her smile was contagious. I will miss her spirit and I regret that we didn't stay in contact after college. I did get to speak with her briefly at our 10 year reunion and it was great to see how happy she was with Mike. Please know that I am thinking of you. May God bless you!

“ My thoughts & prayers are with the Manifold & Sasich families. Holly was a dear friend. An Angel with a warm smile & loving heart who was always there when we needed inspiration and support from one another. Our friendship was grounded in our faith, values, love of family/ friends, love for great food & last but not least our love for our beloved "pet children". However, Holly was mostly proud of her love for Mike & being a Mother to Whitney. I admired her spirit & zeal for life. True friendship is not measured by the amount of time you spend together but knowing the strength in a bond that one always has a true friend in their corner no matter the distance or amount of time spent together. We will miss her sincerity but should have confidence in knowing there is an Angel watching over all of us. Holly, It was an honor & privelege to be your friend. Love you Always, Monique
