“ *It's been close to 15 years without you and it doesn't get any easier. You were so the most hard-working, amazing Mom any girl could ask for. You pushed us to be better but accepted us all for what we were. You helped all of us with your last dine, and breathe. You are and always will be my best friend. I think of you every day and I still miss you as much if not more. Please just laugh and dance in heaven. Say I to Pops and Robbie too. Love you Majo.*

“ *She made the couragous to have me in a day and age when being an unwed teenage mother was not something people readily accepted. I am forever grateful for that unconditional love.*

*She was, and always will be, my mom - and I miss her every single day.*

“ *Dear family, I was so shocked and saddened by the news of Hope's passing. She was always my favorite "girl" cousin and like a mom to me. She was so kind and took great care of me when I lived with her when I was young. Hope's passing will definately leave a hole in everyone's heart that knew her. I'm sorry that I can't be there with you during this time. I will pray for all of you. My greatest comfort is knowing that she is in heaven and free of any illness or pain. Actually Mom and her are probably at the riverboat in heaven. She will never be gone as long as we keep her memory alive. I will add a candle to my Christmas and holiday memorial table for her. I LOVE all of you!! May God bless you and hold you in the palm of his hand while you go through this very difficult time. Darla & family*
