“ *Dad in all the time we spent together, through your illness I felt closer to you than I ever had. Dad it's now about 6 months later, my heart and tears miss you on a daily basis. I am sorry there isn't a phone in heaven. You are with Mom now, please watch over her, she was my best friend. My soul is saddened, but I am joyful you are together. Save a nice place for the rest of the family. I love you, Mom and Dad. Your loving daughter, Laura*
