“ Martha, I remember how when all of you moved to Middletown, how Howard was my younger buddy, such a nice kid to have around. I haven't come across him recently and surprised to see this happening already. Life can really be sad. I feel so badly. Gary S.

“ We are so saddened to hear of Howard's sudden death. Our prayers are with all of you. Howard was always such a special person....he was my Sunday school teacher during high school....such a neat, insightful and loving person. He has always been so supportive of our family even though distance separated us. He was such a wonderful fisherman: only Howard and Jeff could fish with Uncle Jim a whole week!!! We will miss Howard. With deepest sympathy, love the Bryants
