Mrs. Combs was my first grade teacher back in 1980-81. Actually, she was by far the best teacher I ever had.

She was sweet and kind to her students, and what is most impressive to me is how she never forgot who I was, by name no less! I would see her in the supermarket, thirtysome years later, and would start to say how she had been my teacher and then she would warmly greet me by name and then ask how I've been. She even remembered my mother, whenever she would see her in the store, always asking how I have been. Those gestures have always stayed with me throughout the years, realizing just how much teaching must have meant to her, remembering the pupils she had taught throughout her long career!

Such a sweet, sweet woman who will undoubtedly be missed by many, and my heart goes out to all of her family and friends, as well as former students and anyone else who had the pleasure of knowing this special lady.

With prayers for peace and comfort in this sad day,

David R. Vernon

My Aunt Ida was truly one of a kind. She had the most kind and loving heart and loved everyone unconditionally. I will never forget her voice, her hugs and her I love yous. I was truly blessed to call her my Aunt Ida.

Mike and Mark - I'm sorry that I can't be there for you right now, but know that all of you are in my heart and prayers right now and in the days to come.
