“ My Dearest Ida Mae, You cared for so many and loved them that much more. Our Thoughts and Prayers are with you. You the guiding star. Remembering your "bologna sandwiches". In a North side Chicago apartment on Seminary and Diversey. When I was not more than 3 or 4. It never mattered just how long it took to eat that half a sandwich in the breakfast nook. 4 hours You were patient with me. With Sincere Love and affection. Carol Adams This is Especially for You, "Angels Help and Comfort" When angels sense you need them, and angels always do, They come, unseen, from everywhere to help and comfort you... They hover close beside you Till all your cares are gone -- Then fly away to other hearts So you can carry on... They are your constant friend and guide, For guardian angels never leave -- They?re always at your side. 27 April 2005
