“ Ingrid was good friends with my Mother & they worked together for many years. As a young boy, Mom visited Ingrid, while us kids played usually. Also Ingrid would cut my hair as a young boy, i was typical kid moving & squirming around, she says, “ will you hold still “. Lol, 1 time I moved as she was cutting above my ear, & yep cut a a small part of my ear off. (small but you seen a flat spot on top my ear). 🤪👦♂️😂. It grew back, I'd bring it up here or there, for laughs, she'd say, “ WELL, I told you to hold still “. ☐😂

“ Ingrid will always be one of my favorite people. I admired her character and her strength. During our 44 year friendship we shared lots of laughter and a few tears. She was the best Euchre parter ever. My fondest memory was our trip to Germany in 1994. I miss you and will think of you often.
