“ Thank you so much for taking time to stop by and letting me know of Duane's passing. We Duane, you and I could talk about God openly, in a society that doesn't do it enough, it was a wonderful way to fellowship. It was a pleasure to know him. God Bless you Maria. “ Duane was my step-dad and he always treated me like his own. He always made me laugh and I will always love him. I remember when he did a donut in a snowy parking lot in the mini van in the middle of winter with me screaming in the back seat and my mom laughing in the front seat. I was sure he was going to tip the van. My heart is full of love, his spirit and his memory...always.

“ We go back a lot of years. Long hair, good times and one of the best friends I have ever had. We may have gone separate ways in our lives, but you were always in my heart old friend. May God be with us all. Morris

“ Maria- I know I've already told you, but I'm so sorry for what you are going through. I know Duane is free of all of this worlds worry and pain now. The days ahead I know you will be given the strenght you need by our great Lord above. Please turn to family and friends when you need a hug and someone to talk to. Duane will be missed by so many. I will always remember him, always! When I hear his name I always have a vision of that young boy that hung out at my house when I was only a small girl. I think he was a lot like a brother in a lot of ways. Again he WILL be missed very much. Love Always, Pam Frazier

“ Duane and I were neighbors when we were small. We went to the same high school. I knew his mother and brother and sisters. He was such a friendly person. I am so sorry for your loss. I worked with him, his wife, and niece Tammy. I knew his sister Sandy when we were young. May God bless all of you, and know how rich your life was to have him. Love and God Bless, Juanita Roof
