“ You have my prayers and love at this time. There isn't a person in your entire family who isn't good and special. I don't remember Jack, but I know that he must have been someone very special considering how the rest of you are. Always remember that this is only a temporary good-bye...

“ *Big Jesus Love for Jack Brizendine. Hearing the Scripture about Christian husbands "loving their wives as Christ loves the Church" was particularly daunting to me entering into a marriage relationship. Jack modeled that to me like few others. I am grateful for his example and am a better husband and man for it. Grace and Peace to the Brizendine Family*
