“ Truly, one of the greatest men i have ever met in my life. His family values and compassion for others, are just some of the reasons why I have great respect for Uncle Jack. He was always smiling, laughing and joking around with everyone. He will be missed by us all. Tony and Christy Sproles

“ Aunt Lois,Debbie,Steve and family: "Uncle Jack" In loving memory of a man of Honor and Respect of other's.Who always made you feel good about yourself no matter what you were going thru. You could be having the worst day of your life and uncle Jack could alway's bring the bright side of everything out to put a smile on your face. Uncle Jack was a man who loved to laugh and loved for other people to laugh an enjoy the time at hand. Uncle Jack loved and appreciated his family,his unconditional love for his wife Lois,his children Debbie,Steve and grandchildrenhis pride. Talking about his family always put a smile on his face.Uncle Jack always had the up most respect in his voice when talking about his family, no matter what it was about. The things i will miss the most about "uncle Jack" are the long talks we have had about Hunting,Fishing and places we have both been and seen in our travel's and military experiance's we have had. I have had two uncle's in my lifetime that i have the up most respect for. I honor each of these men for the way they lived their lives. These two men cannot be topped in no means. These two men were both called up to spend Eternity with our "father in Heaven" where there is no pain and suffering for them anymore.We all have vision's of Heaven in our minds of touching the nail scared hands of "Jesus",and walking the streets of gold and seeing those we lost before us again. You will never know how much i will miss talking to you"Uncle Jack" my heart is filled with sadness but down deep I know you are in a much better place then we are. Where there is peace,happiness and love for all.You are in a place where war,death,pain and sickness are no more a part of life. I can only imagine how the "Angel's" sounded as you passed thru the "Golden Gates of Heaven". "Uncle Jack" You are loved and will be missed greatly by Myself and all who know and have known you thru your walk of life here on earth. "Rest in peace my friend and loved one" we will meet once again when i make the journey to "Glory" as you have made before me. Love Bryan A. Clines
