“ jack lived with us when I was a kid. he was fun loving and was good to scott & me. i remember him putting on a record and playing along with the music. he was probably the most mild mannered man I've ever been close to. I remember as a kid when I first saw debbie as a baby, I remarked she looks like a monkey. my mom beat the daylight's out of me. jack was as good of a christian man as I know. he didn't just talk it he lived it. the baker family was blessed to have jack as a role model.
