“ Jake was a funny, bright, kid who always had something to say. Though we didn't hang out much when we grew older I do remember all the fun times we had hanging out with our friends. I also went to Sunday school with him at ESCHOG and he was always the goofy one that made everyone laugh. He will be truly missed and my heart goes out to his mother and sister. God is always there for you and know that with his help you can receive peace.
