“ *I will never forget the first words she said to me. "She said Don't do that in front of my husband.. I looked around and said do what? She said wax your car. My husband does not know that women can do those types of things. And then she broke out in that laugh that just makes you happy all over. That was the first time we met at the campground. What a wonderful friend she was to me. We had so much fun during the camping seasons. I love her and Mickey both so very much. I look around this house today and still see things that Mickey helped us do. And Jackie always had to be here to help boss. They were quite a team those 2. I will always have the very best memory of them both. You are with Mickey now and I am sure you are happy. Just know we love you. Love Mike and Duella.*

“ I remember Jackie being such a cute, friendly classmate. She had so many nice friends who became her forever friends. It was always fun to see posts of the friends enjoying each other’s company. She certainly was loved and will be greatly missed.

“ Jackie, you lived next door to us growing up. You and mam, of course your mom June 😍 we all sure had fun, Franny, Gibby and me Paulette. My brother married you several times when we were young. We all practiced in your weddings 🤔🤔 I hated hearing you left this world so soon but, Mickie will be so glad you are back beside him now. We will miss our dear childhood friend. You will always be in our hearts and say hi to Mickie for us 🙏🙏❤️❤�
