“ *Jacqueline befriended me through the online newfoundland community. When I had my own personal struggle she was a sweet and good friend who helped me through it. She always had the nicest things to say about my dog. She will be missed in the newf community. My thoughts and prayers are with her family.*

My dear sweet friend, I miss you already. God had a special place for you since he took you so soon. My Brownie Newfs brought you and me together. How lucky could I have been to be blessed with your friendship. You loved my Brownies so much, and always told me how beautiful they were. I can see you in Heaven surrounded by Newfs. Jacqueline, thank you for your love and friendship. I miss you already.
