“ I am so sad to hear this news. I still remember fixing all of the boys peanut butter sandwiches and soup when I was the baby sitter. I would like to extend my sympathy to Eleanor and Jimmy's family.

“ I can not begin to express my sorrow at hearing the news of Jim's death. My Dad called me this afternoon and told me that he had seen the obituary in the paper. I want all of you to know that Jim was always the best friend that I ever could have had while we grew up in Anderson. He was always a valued and dear friend from the day that Steve brought him over to our house to "entertain me" so that I would leave Steve and my sister alone. Unfortunately, as we grew older, our careers took us separate ways and we were unable to see one another very much after we got out of school. I know that he was a loving husband and father and that he loved Susan deeply. I am sad that I never really got to meet his children and I am sure that he was a loving, caring and nurturing father. Unfortunately, I am unable to come back home to attend the visitation or service. My father is going to try to attend the visitation and give my regards to all of you. Please know that my thoughts and prayers are with you at this time and I am so deeply sorry for your loss. Rich Kelly

“ I am so sorry to hear of the passing of Jimmy - my thoughts and prayers are with your family. He probably would laugh that I refer to him as "Jimmy" but he has always been Jimmy to me. So sorry for your family's loss!
