“ *I worked as a colleague with Jim at Riverview for 10 years. He was fantastic at his job and would always make time to help you if you ever needed anything. Always talked about his wife, kids and how much he enjoyed his time with his grandson. Side story, had to break him of his habit of microwaving fish for lunch in the the office. Will miss you and love pal!*

*“ My Brother Jim was the so kind and loving to everyone he met. Randy Hedge now my husband of 15 years was Jims best "Pal" and Brother.
When, I told Jim we were going to get married. Jim said" Pal I thought you were just going out for dinner." "Dang were really going to be brothers." Randy loved it when Jimmy would call and just talk about what was happening in his life , Deb and the boys. He could hear Dylan telling Pa to get off the phone so he could play. We were talking about How much Dylan wanted his Pa attention.

“ *I used to embarrass him by introducing him at the hospital to others or tell peers that he was “the first guy I ever slept with”. Of course it was because there is a picture of us asleep in a crib as babies. He was such a good sport about joking.*
