“ *My Uncle was the best person I my life next to my mom. He was always there and always had ideas that made things right. He held me so tight the day Mom died that I knew hw woud take over where she left off and he filled the bill fully. I was there when he pasted and he was there when I was born what a fitting thing to happen. Wish I could have done more. He was love in an Uncle and GOD gave me a Big Blessing in a man named Uncle Bob. Thank you GOD!*

“ *To the family and friends of Bobby John: In the thirty-two years with G.M. I never worked with or met a friendlier or more pleasant person than Bobby. He was always a pleasure to work with and never had a bad word to say about anybody. He and Phyllis were a great couple and will be sadly missed, but fondly remembered forever in my lifetime. May GOD be with each of them and their families.*
