“ We are so sorry of your loss, Jamie was a great friend, and was a great God-Uncle to Mackenzie, she loved so much. His heart was always full of love. Thank you for having such a wonderful son and sharing him with all of us. His smile and laughter will be missed, but God selected him to be our special ANGEL and I know he will be watching over us.

“ God Bless you Connie and family for being there for Jamie these past couple of years. He needed his family more than anything during this time and you have been a blessing to him as he has told me many a times. It was never easy for me to send him away but I knew in my heart that he belonged with you and he understood that as well. Jamie brought joy to the life of many people and he opened my heart in a way that no one else could have done. Love & Peace always to your family. Casey

“ I shall miss Jamie. He never once forgot to call on my birthday. He was so happy when he called me around Thanksgiving from Florida during his visits with Casey. He sounded great and sounded better than he had sounded in months. I was shocked when Bob Early called to tell me the news yesterday. I am glad he got to do something fun in recent weeks after so much pain and surgery the last year. He certainly loved his family and Connie his momma. He will be missed by me for sure. He was taken too soon...but at least he has no more pain. He told me actually just a few weeks ago when he goes he wanted a big funeral. I hope he gets that wish. The family will be in my thoughts and prayers.
