“ I am really sorry that I am just learning of this. Jake was always a good guy. I have known him since I was a toddler. His Aunt was my guardian and godmother when I was young and growing up. We had several great summers when Pauline would take us to Ryan's pit. The last time I saw him we were helping the boys clean out closets and I took some clothes to a charity for them

“ Even though we never met, I have heard so much about you and Charity has shared your journey. Know that my thoughts and prayers are with you at this time. It is a rough road to travel. Having just done it, I can tell you allow yourself to feel, don't feel guilty to laugh at a memory and always remember the life you shared. The good memories will help you through the painful days. I am sure that Jake will have a friend in Kev in a better place, I am sure Charity took care of that one.
