“ *I used to work at Duke Energy and had the opportunity of meeting James at one of our annual meetings in Charlotte. He was a great guy and spoke about one of his electric guitars (I believe he collected them). I was shocked when I heard the news. Duke Energy lost a great employee but even more important: the world lost a truly wonderful human being! He will be sorely missed! My condolences to his family.*

“ My thoughts and prayers are with the family of James. May you find some peace and comfort in the days ahead. I know this was a huge shock.

I have worked with James for several years at Duke Energy. It is hard to describe how much we relied on him. His responsiveness, accessibility and knowledge were second to none. His overall contribution and friendship will be greatly missed.

“ I cannot even begin to imagine what his family is going through right now. This was so unexpected and shocking. I know he loved his family so much.

He was such a wonderful work partner and friend to me. There will forever be a huge void in my heart without James in my life.
