“Dad you will always be my bestest friend, the one I could always count on the one who would always tell me and convince me "Things will work out". I already miss you and still find myself wanting to share my days with you. I know you was welcomed with open arms and smiles by family and friends alike. Mandy I know missed you bunches and I would have loved to see her reaction when she seen you walk through those pearly Gates. I love you "My Dad". You will always have a place in me !!!!
