# Tribute Wall

“ Dear Family, Jimmy is my double cousin and like a brother to me. He was a year older than me and I loved him with my whole heart. We shared our childhoods, our teens, we married our mates about the same time, we had our children close together and shared the joy of their births. He and Nell and the kids will always have a place in my heart. Love you cuz till we meet again. (((Hugs to all of you )))
