“ Jim was like a dad to me, him and Tammy took me in when my own family kicked me out, though I was dating Kyle at the time they still allowed me to move in and they showed me what it felt like to be part of a good family, they treated me as if I was one of their children, and never make me feel left out! Over the years I stayed in contact and the first time he met my children he referred to himself as Papaw, and that meant the world to me since my own father didn't have anything to do with them!! Every time I picture him was with his really long hippy style hair and hippy like demeanor!! I never got to tell him thank you, but I know in my heart he knew how grateful I was!! I am so sorry for y'all's Shelly, Bj, Shawn, and Kyle I love you all in my heart goes up to y'all I'm praying for y'all!!

“ We always loved bowling with him and the family on Sunday night mixed league. Several years of our lives together spent at Cooper's having some fun times. The world lost another great man. Rest easy in heaven

“ I've known Jimmy all my life, he worked with a lot of my family members at cook block.  
Jimmy was a great guy and liked by everyone.  
Our family's new each other well.  
No one ever knew I had a crush on Jimmy so I'd go to cook block every chance I got and Jimmy would always talk and joke around with me and my sister.  
Jimmy was a great man that will be missed by many I'm sure.  
My condolence to all the Short family 💔  
RIP JIMMY
