“ *My mother has a strong spirit that will carry on with my immediate family. Her intelligence and wit was truly a gift. I can occasionally catch a glimpse of this when I talk to my children. I pray that she can now experience happiness and peace that often escaped her in daily life."Mom, thank you for giving me life, I can never thank you enough for being my mother. I will miss you terribly and certainly will miss our conversations. You leaving creates a hole in my life that cannot be filled. Mom, I will love you forever and I will talk to you soon."Your son,Brandon.â??All that I am or ever hope to be, I owe to my angel mother.â?? Abraham Lincoln*
