“ Gordon Ron and Laura, I am so very sorry to hear of Janet's passing. You were such good neighbors for so many years and Janet was such a wonderful and happy person. She always had a big beautiful smile and was always so much fun to sit and talk to. I know words don't seem enough to help with the pain of loosing her. My thoughts and prayers will be with you all now and in the coming days. Remember the time you had together, both good and bad, may it bring you comfort during the days and months to come.
