“ I just learned of your Mom's passing. My heart goes out to Janet's entire family. She is one of the most precious, loving, kind ... all around one of the most wonderful human beings I have ever had the pleasure of knowing. No matter how long in between us seeing each other, she (and Dallas) always welcomed me as part of the family. I remember the time they came to South Padre Island fun times by all. Of course I remember every time they welcomed me into their home or I into ours. Even though many many hearts are saddened by her passing; I do believe she is wrapped in Dallas' loving arms once again. They are watching over their children and grandchildren. May all of Janet y Dallas' family find the strength, comfort and the feelings of love from them through recalling cherished memories of their unconditional love for each other and for their family and a lifetime memories for many. For as long as we carry them in our hearts, our minds and of rejoicing, recalling all those wonderful memories they both shall live forever. Love y hugs, Letty and family
