“ *She was my second mom for a lot of years. A lot of memories were shared with her and the family. A lot of memories to treasure... We had good times, sad times, and even some interesting times. I would not have been the same without her. I spent a lot of time at her house growing up. Great childhood growing up in that trailer park. I wouldn't change it for anything. She may have been a petite woman, but I still knew to fear her. The time I didn't and thought I could mouth off to her... Yeah, I turned to run and twisted, falling; broke my foot. Never forgot that! She was an incredible and strong woman; she loved and protected her family, always. I know she will continue to watch over them. Much respect for her, and while she is gone much too soon and far too young; I know she is at peace. My love to you Faye, and your family during this time. I appreciate the honor of having you in part of my life.*
