“ Jan gave me my first drivers license, and came to know her through my daughter Kyli Smith. She was Kyli's neighbor and friend. She was Aunt Jan to all of us in my family. I was very glad to know her and she was a jewel. She loved our doggies like they were her own and was always there to help with anything she could do for us. She will be missed by all my family. “ To Jan's Family I knew Jan for many years when she worked at the FDM Warehouse in Alexandria. She was always so great to work with, and so very good at her job. More than "good" at her job-she basically ran the operation. I could always depend on her to take care of our business the right way. Always cheerful, she was a joy to be around. I'm so glad I had the opportunity to know Jan. Please know you are all in my thoughts and prayers.

“ Jan was a great friend for the few years that we knew eachother. She was a great lady and loved my dog Louie like he was her own puppy. I loved "Aunt Jan" like she was apart of my family and she will be missed greatly.
