“*Janice was instrumental in my life starting on Highland Ave. I loved her dearly and will always have very fond memories of times that were spent with her. This comes as quite a shock of her passing, since I had been told several years ago that she had passed away. Recently, she had been on my mind and I had the notion to contact Eric, but failed to do so. How sorry I am that I did not go with my gut feelings. Please know that Janice made a difference in a young girl's life and will forever be indebted to her. Tiffany*
