“ *My prayers go out to the family of Jared. There was a time he was like a brother to me. Jared was a part of a family that treated me like their own when times was bad & I couldnt see my own family cause they lived away. I know this is going to be hard but god will help you threw it, as he helped me with my own loss*

“ I was sorry to hear of your loss, Life is so short and it breaks your heart when ones are gone so quickly. The bible holds out a promise that soon death will be no more, pain and suffering will also be done away with. I hope that time eases your pain and your many memories of Jared will bring joy to your heart.
