“ I can't express how devastated I was to hear about Jason's death. Flashes of Jason have been going through my head. From our days of watching movies, sneaking out of the house, playing sports, swimming party's, graduations and weddings. I will always have fond memories and will miss him greatly. May all those that love him find strength to cope with this hardship. My thoughts are with you tomorrow as I regret that I will not be there.
