“ Sue Lockwood, Vero Beach, Florida am saddened to learn today of Newell's death. His wife Beverly and I grew up together In Fortville. Whenever I hear the term "Soul Mates", I think of Bev and Newell! If ever I knew of a couple that God intended to be together, it was the two of them and their love story needs to be written.

“ Though it was saddening to hear of Newell's death, it was also great to see Bev and all the kids at the visitation. Too bad there was so little time to visit and talk. Newell was a very good man and I respected him a great deal.
