“ I remember while growing up, prior to my family moving to Texas, my Dad (Dale L.) did concrete work with Marvin W. We lived in Pendleton and had a pool and the 1st time I saw Jeff (I was prob 9yrs oldish) he came over after work with my Dad. I thought he had to be a famous person because there just were no regular people like us that were that gorgeous lol. I didnt even like boys then but WOW... until that day my Dad was the best looking man I knew lol... then he took off his shirt and jumped in our pool and my mother made us go inside lol. I will never forget that day. Its one of my best memories.

*My condolences to all. I know Jeff is in heaven with my Dad...
Heaven takes all the HEROS!!!*
