“ *I met Jeff over 20 years ago. From the first time I met him, I knew we would be friends. We have been through a lot together and have always had each other's backs, Jeff was a heck of an artist. When my dad passed away I asked him to draw the picture for the tombstone. Without hesitation, he said yes. I will never forget our golf outings, especially running through the sprinklers. I will never forget him calling me Big Sexy and me calling him Big Daddy. My heart goes out to Teresa and Stephen. We may have lost a good person but I know we will see him again. Love you Brother Jeff.*

“ My husband introduced me to Jeff about 11 years ago. I knew the first time I met him he was a wonderful, caring, loving person. Every time I saw him he called me gorgeous and gave me a huge hug, I already miss those loving hugs. His faith in the Lord was so inspiring and I know he touched many lives during his precious time on this earth. My love and heart go out to Teresa and Stephen and the rest of the family. I know we have a new Angel looking over us and he will continue to touch lives.

“ Prayers lifted up for Teresa and family. Jeff was a great roommate at UE, best man in my wedding, partner in KX antics, mission team member, and so much more. I remember many trips in the "Droop-mobile" and spring break tours with Outward Bound. Most of all I cherish the times we shared in prayer and being a witness for Christ to those around us. Rest in the arms of Jesus dear friend.
