“ *My dearest Jenny,*

I'm so sorry I wasn't able to make it in time but I'm coming. You'll be forever in my heart. I'll miss Chris, you and me playing monopoly. We always had so much fun. I remember how we used to laugh when we would reminisce about how you felt Chris and I would gang up on you to win...to have those days back! You're no longer in pain and with the Lord. Be blessed my dear Jenny and watch over us all from high above. - All my love Cousin Becky

*To the Family & Friends of Jennifer Lynn King,
There are no words powerful enough to express sorrow for your loss. May you take solace in the great memories you have. May God grant you peace and comfort while the memories you cherish bring solace when you need it. May you always remember, "God is healing the brokenhearted ones and binding up their painful spots" -Psalms 147:3*
