“ Dear Ruth and Kathy,

I am so sorry to hear the passing of Ginger and my heart goes out to you. I lived on Alliance Road and have very fond memories of Ginger. Even though I was three years older than her, we became good friends. We loved to polish rocks, play in the pool on your back patio and had a wonderful time going to the farm and eating grapes right off the vines. She was so beautiful, soft spoken and kind to everyone. She was a wonderful person and friend. God has taken an "Angel" home and I pray God will give you comfort and peace during your grief.

*Love and prayers to you and her son

“ Dear Ruth and Kathy,

I lived right behind you when you lived on Alluance Rd. Ginger and I grew up together and had so much fun together playing with Barbie's on front porch and in the breezeway. We loved playing on the monkey bar swing set in the backyard too! I enjoyed going to the farm with you and made homemade ice cream. I remember when she started school and started riding the bus; I was a year ahead of her. We sat together. I loved her as a friend and a person. My thoughts and prayers go out to you and her husband and son. I don't know what caused her death, but she's in God's hands now and with her dad. God bless you all at this time. 🙏🙏❤️🥹🥰

“ I am so very sad to hear of Ginger leaving us...wish I had been in touch more...wish we hadn't drifted apart. Ginger was as close as a sister to me...always thought of her that way...but we both grew up and somehow lost contact. Almost all my high school/teenage memories include her. She will truly be missed Ruth and Kathy.

“ Dearest Ruth and Cathy, I can not tell you the overwhelming sadness I feel about Gingers passing. I remember her as a ray of sunshine in her youth bouncing around the family farm with me and Channon on our visits their with Grandma Jo and Grandpa Hully! Her smile was so infectious and she will forever hold a sweet place in my heart. Please know that myself, my sisters and mom send our deepest sympathies and prayers to you all at this time. All our love! Della Suits, Elaine Heath and family
