“ Jerry was a classmate of mine and a groomsman at my wedding. I would still have recognized him with that smile and twinkle in his eyes. I have fond memories of Jerry and our high school days cruising Frisch's on the weekends and shooting pool. Nice to see he had a great life and will be missed.

“ I was a classmate with Jerry and he was a member of my wedding party in 1970. I remember sharing good times in our high school years, driving through Anderson and circling Frisch's on the weekend nights with friends. He was a good guy and I have thought of him often. Glad to know he had such a great family and I am sure he will ve missed.
