“ RIP Jerry, I've know Jerry I believe since I Was about 12. Jerry showed me how to check the oil in my car, air in my tires, water in the radiator. That way I didn't have to take my car to him. He told me that I needed to know how to do it. He also mowed my yard for me, until he felt comfortable leaving his mower with me. He was a good brother in law to me. You will be missed. Watch over Shelly and Bear. ❤️
