“ *Jerry was always there when I needed him the most. I will never forget the time I was homesick for Anderson and he said just say the word and I will be there to move you back. Truth is I know he would be. He was there for me and my boys when I needed him during the worst part of my life. He was a grandpa to my boys. Even though we haven't been in contact a lot in the last few years, I always knew he was a phone call away. Him and Barbara was such a blessing to my family. A great friendship started from a wagon ride so many years ago.*

“ *My best memory with you (hard to choose which one)
As a young girl- spending the night with you guys or staying all
summer LOL, Our trips to Mounds State Park, And all holidays with
you and grandma were and still remain to be my best childhood
memories. Not to mention all the times you helped me, guided me,
taught me, and was just there to listen.
You and Grandma helped shape me into who I have become and I
am proud to be your granddaughter. I am glad that you have peace
and are with all of our loved ones that have gone before you. Rest
In Peace grandpa. I will cherish you always.*

*I remember him being the crazy old man that sat out on his porch
shirtless watching his tv. Always there to help whenever anyone
needed it though. He was a great man.*
