“ I was in Jerry's graduating class at Anderson High School, but I seem to remember him more from Central Junior High; he was always a really nice young man and a good student. I am sorry for your loss; he was much too young.

“ Jerry was the greatest friend one could ever have. He was my "go to" person when the world got upside down. I will treasure the little "Jerry-isms" that I often heard such as "between you, me and the telephone pole." Thank you Jerry for making this world a better place for all of us. I will miss you dearly.

“ I met Jerry through my work at Community Hospital Anderson and we quickly realized we had many things in common so the friendship came quickly. I will always remember the deep voice coming over the phone and his wonderful smile. He was truly a wonderful person of integrity and sincerity and I am better for having known him...thank you
